### FARMER'S INSTITUTE TUTE BEST EVER

### BENNETT AND GRAHAM NUPTIALS

Enthusiastic Crowd Attends All the Lectures Which Were Delivered by Those Who Know

### ELECTION FOR ENSUING YEAR.

On Wednesday, Nov. 24th, there was held in Marion, Ky., a Farmer's Institute, and the Record-Press is glad to note that there was a large and enthusiastic crowd in Marion on that day. Farmers were here from adjoining counties and attended all the exercises. Crittenden county farmers were more in evidence at this meeting than any heretofore. The speakers were E. C. Martindale, of Wilkinson, Ind.; D. S. Kelsey, of Hartford, Conn.; and Miss Margaret Penick, of Charleston, Iowa.

The first speaker of the day was Mr. Kelsey who spoke in the court house in the morning on "Soils and Fertilizers." Close attention was given to this talk, by all present, as it was one of the best ever given here. Mr. Martindale appeared about half-past eleven and took the floor. He first held an election for the ensuing year. Mr. W. B. Yandell, President; Joe Dean, Vice President; Lester Terry, Secretary; delegates to State Institute at Frankfort, Jen. Clement and Joe Dean with Will Taylor and W. B. Yandell alternates.

Mr. Martindale then gave a short talk on "Soil Fertility" which attracted very close attention. Attention was taken for dinner. Re-convened at one o'clock when Mr. Kelsey spoke on "Alfalfa and Clover." At about the same hour Miss Penick spoke in the school auditorium on "The Flower Show." She road a second time on "Soil Fertility." At the close of Mr. Kelsey's address Mr. Martindale again addressed a crowded court house on "Live Stock and Soil Fertility." He held his audience and laid a great deal of stress on the Dual Purpose Cow. At the close the chairman asked Mr. Jake Crider, of Frederikin, for a few remarks on "Alfalfa" and then took a crack at Mr. Martindale.

(Continued from page 8)

trust also that Mr. Bennett will come again with his efforts to help our people out of their many tribulations. But for his cool, calm and thoughtful consideration our little town, recently was about to be engulfed in a miniature war, therefore we place him in the helm of Wilson the 2nd, and Mrs. Graham whose marriage to Z. C. Graham a few years ago, was only the victim to the companionship of a young, thoughtless school boy, not yet through sowing his wild oats, but his fond parents gave her all the luxuries of a palatial home in Grahamville, Ky., and she endeared herself to them as a dutiful daughter. The young blood will arouse from its lethargy all too late to realize that the little treasure has flown to the strong arm of an older and wiser protector. In this is also the portrayal of the gentle and confiding little Kentucky woman, who simply bore her heart aches in her quiet boudoir—so unlike the new popular woman suffragist loud in condemning the faithlessness of man.

Ida Lou is a lady of sweet, refined nature, worthy of the love and kindness of a good husband, and we have no reason to doubt that she will find this in Mr. Bennett, as he comes to us well recommended. Their courtship has been quietly progressing, but in the end came as a surprise to their many friends. They were quietly married at the residence of Dr. J. M. Graves in Dyersburg, on Dec. 4th at 1:00 p.m.

Only a few friends and relatives were present to witness the solemn and impressive ceremony performed by Brother Chandler, of Marion, Ky.

After congratulations from each one present, they left for Company L's entered into a con- nexion. The bride looked her best in a brown travel suit and the groom in his conventionals. Notwithstanding the limited time for preparation, Mrs. and Dr. J. M. Graves made themselves equal to the occasion by decorating the parlor with over 100 flowers and lighted candles.

At the close of the service, Mrs. Becker presented the piano rendering the Flower Song in its sweetest, simplest tones. All looked beautiful in the glancing.

The bride is a cousin of Mrs. Graves' they both being wives of the late S. H. Cassidy who was one of our most substantial citizens. We trust the future for this young couple may be filled with roses of brilliant hue and they may have a long life of happiness and prosperity. We

is a new feature in entertainment for Marion but it promises to be a very pleasing one.

An important attraction on the program will be the play, "Who is Who?" The plot of the play is well developed and has enough mystery about it to make it intensely interesting from first to last. If you like good plays don't fail to see and hear, "Who is Who."

The music will be furnished by the Marion High School Orchestra and it goes without saying that, the people of Marion will show their appreciation of this deserving group of talented young people by attending the Novelty Entertainment, Friday night,

Col. Zoo Zoo and his Zo Bo band will arrive in time to take an important part on the program. This is Col. Zoo Zoo's first appearance in Marion but he comes with a reputation second to none. His music is the kind that always pleases; the kind that drives away the blues and leaves a pleasant taste in a feller's ear."

In short this is what the Novelty Entertainment Co. offers: A splendid play, clever actors, good music, an extraordinary Zo Bo band, new readings, catchy songs, charming costumes and five dollar bills to those who do not laugh.

School Auditorium, Friday night, Dec. 17th.

### Telephone Announcement.

It may be of interest to the Telephone users of Marion to know that the Hon. relict of John L. Lamb who died 10 years ago, had a family reunion, the first in twenty-four years at which all other children were present. Those who were there to enjoy the day were: Bob M. Lamb, of Detroit, Tex. Annie Dean, wife of J. N. Dean, of Demwood, T. Edgar Lamb, Orlinta, Okla., Ada Lamb, wife of Frank Lamb, of Iron Hill, Herbert Lamb, merchant, of

the old Lamb place, Agness

Drennan, wife of Wm. Dave Drennan. There are about 30 grand children all of whom were present excepting the children of Bob and Edgar who did not bring their little folks from Oklahoma.

It was a happy occasion and one never to be forgotten. It is not probable that all will ever be together again in this world.

### I'm Going, Are You?

The music and play lovers of Marion are promised a rare treat Friday evening, Dec. 17th, when Miss Lena Holtzschue, assisted by the High School Orchestra and other members of the High School will give a Novelty attraction at the School Auditorium. This

### DECLAMATORY CONTEST HELD

Saturday Night, Dec. 4th, at Rosebud Church in Division 3.—Eight Schools Represented

### TWO MEDALS WERE AWARDED

The declamatory contest of division No. 3 was held Saturday night last at Rosebud church. There were eight schools represented, namely: Walnut Grove, Applegate, Heath, Baker, Seminary, Hoods Creek, Post Oak and Oakland.

The contestant from Walnut Grove gave "Our Hired Girl." This was well given by the little fellow and was awarded the silver medal.

Next speaker was Herman Writtenberry, of Applegate, delivered "What the Clock Saw." This speech showed that the speaker had been well trained, also freedom of speech. He is one of those fellows who can smile at defeat and try again.

Next speaker was from Heath, "The Arab's Farewell to His Steed," which was splendidly given, one of which the school should be proud of.

Fourth, Miss Mae Newcom, of Baker, "Whispering Bid." Miss Newcom is a very smooth, enthusiastic speaker and should feel congratulated though she did not receive the medal.

Fifth speaker, Miss Dewey Powell, "Our Hired Girl." This declamation seemed popular, as it was delivered by two of the contestants. Nevertheless it was appreciated each time by the attentive audience.

Sixth, Hoods Creek, was represented by Miss Mary Quarterman, "College Oil Cans." Mary is a very nice girl, enthusiastic and delivered her speech well.

This speech received a most hearty applause by the audience, and has created quite a public sentiment. Mary will ever be remembered by the Hoods Creek pupils and community.

Seventh, Post Oak, Miss Fritts

"Writing Letters." A speech

short but well given. She, as

well as the rest, seemed to be

free while on the floor. The

judges considered this the star

We do not want to slight any but as a natural consequence, we hear the news about the news as is convenient to us, but would be glad to know the important happenings outside for the sake of their friends in other states or even in other countries, who eagerly watch for news of our citizens. If this should be our last entry in year 1915 we wish the kind reader, his staff and all the readers of the Record Press a merry Xmas and happy New Year.

## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Cahow, Ky. In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 5 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

### Escaped From Germany Disguised As A Pill.

A man giving the name of Mike Miller has drifted into Evansville and says he escaped from Germany by allowing himself to be placed in a medicine box, which was hauled to Peoria, Ill. He claims his father is a big medicine manufacturer in Germany.

Six months ago Miller's part of the reserve was ordered to the front. His father, Miller says, conceived the idea of sending his son to America in a medicine box. Miller allowed himself to be crated and carried to the ship. He will not give his father's name or address. It is thought the name he is using is assumed. He is 38 years old and speaks nothing but German.

New York, Dec. 6.—Representatives of a group of Russian banks are negotiating with bankers here for a new credit to the amount of \$60,000,000, to be used to pay for Russian purchases in the United States.

The Russian government early this year borrowed \$25,000,000 here on banker's acceptances. One of the proposals is to secure the new credit by the pledge of Russian government bonds and the guarantee of the Russian government.

### Majority of Carnegie Heroes Are Farmer Boys

In the current issue of Farm and Fireside is an interesting article on the medal winners of the Carnegie Hero Fund.

"Since the Carnegie Hero Fund was established," we read, "medals have been awarded to eighty-nine farmers for deeds of bravery. Seventy-eight rail-road men—including conductors, brakemen, engineers, switchmen, flagmen, yardmen, and all branches of the trade have been decorated, while the count for miners engaged in one of the most hazardous of all employments—is but sixty-five, and for those who follow the sea—including fisherman, sailors, deck hands, and so on—is but forty-seven. No other calling has made near so good a showing as farming."

"The surprising things which the record disclosed is that many of the farmer heroes are boys."

The injury occurred in a scrimmage, when the knee of one of the players struck young Bruner's head and it is said caused hemorrhage of the brain.

The scene was no doubt the greatest temperance lecture ever given in this city and it will not be forgotten by the large number of people present.—Ex.

### Colds Need Attention

Internal throat and chest trouble produce inflammation, irritation, swelling or soreness and unless checked at once, are likely to lead to serious trouble. Pine is antiseptic; honey is soothing—both together possess excellent medicinal qualities for fighting cold germs. Instead of Dr. Bell's Pine-Tar-Honey, 25¢ at all druggists.

## WOULD HAVE ALL WOMEN TO KNOW

Mrs. Kelley, of Louisville, Says Tanlac Is All That Helps Her.

Louisville, Ky., Dec. 8.—Mrs. Kelley, residing at 109 Harrison avenue, Louisville, made the following statement regarding Tanlac:

"I have been under the physician's care eleven years. I suffered principally from indigestion and stomach trouble, with frequent nervous headaches and feet worn out all the time.

"I weighed many pounds lighter than usual when I began taking Tanlac. After using Tanlac three weeks, I now weigh several pounds more than I ever weighed. In fact I have gained rapidly in every way in a comparatively short time.

"Tanlac is really the only thing that has actually helped me. I wish to recommend its use to every suffering woman."

Tanlac, the premier preparation can be obtained in Marion at J. H. Orme's drugstore, and in Blackford at A. T. Brown's drugstore. Advertisement.

### Cecelius Tobacco

#### Act Declared Void.

Frankfort, Ky., Dec. 8.—Confronted, under the decisions of the United States supreme court in the International Harvester company cases with the alternative of declaring unconstitutional the Cecelius act of 1906 permitting farmers to pool their crops for the purpose of realizing a higher price than they otherwise could get, or saying that anybody else, including corporations selling farm essentials, can do the same, the court of appeals has declared the Cecelius act void. It upheld, however, the original anti-trust law of 1890 prohibiting combination in the restraint of trade. It said that law does not abrogate the common law doctrine on the same subject, but it is a companion law. Either may be invoked, it said.

### War Upon Pain!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Soister, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new."

## VOTES FOR WOMEN A SU

### The Map Proves It

SUFFRAGE GRANTED	
1869—WYOMING	1912—ARIZONA
1893—COLORADO	1912—KANSAS
1896—UTAH	1913—ILLINOIS
1896—IDAHO	1913—ALASKA
1910—WASHINGTON	1914—MONTANA
1911—CALIFORNIA	1914—NEVADA
1912—OREGON	

Would any of these States have adopted EQUAL SUFFRAGE if it had been a failure just across the Border?

THE suffrage map of 1916 may show four more "free" white states. Jersey votes on the question of woman suffrage on October 19, York and Pennsylvania at the November elections. The most significant events of the past week are the announcements by President Wilson, Hon. Dudley M. Garrison, Secretary of War, and Joseph P. Tamm, Secretary to President Wilson, that as citizens of New Jersey they would October 19 cast their ballots for woman suffrage and similar announcements from Mr. McAdoo, Secretary of the Treasury and son-in-law of the President, from Mr. Redfield, Secretary of Commerce, and from Mr. Wilson, Secretary of Labor.

In short, President Wilson, his private secretary and every member of his Cabinet, coming from a "campaign" state, has declared his intent to vote for woman suffrage this fall. It looks as if the Democrats of the nation were coming out for democracy! What are the Democrats of the Kentucky Legislature going to do about it?

President Wilson begins his statement: "I intend to vote for woman suffrage in New Jersey because I believe that the time has come to extend that privilege and responsibility to the women of the state."

**"THE TIME HAS COME."**  
—President Woodrow Wilson  
A bill to submit to the voters of Kentucky an amendment to the constitution granting suffrage to women will be presented at the next Legislature. The submission of the question was endorsed by the Republican party in convention assembled. The Prohibition and Socialist parties stood, as they have always stood, for the principle of woman suffrage. The platform of the Progressive party adopted at its convention in Louisville contains this plank: "We desire to reiterate our belief in the just principle of woman suffrage and urge upon the next Legislature to submit the question to the voters of Kentucky."

The Democratic party is the only one in Kentucky which has failed to include a woman suffrage plank in its platform. The women of Kentucky will, nevertheless, appeal with some confidence to the Democratic members of the next legislature to pass a submission bill, especially since the declaration of President Wilson and all the members of his Cabinet in states where the question is to be put to the issue this fall, that the woman suffrage question should be settled by appeal to the voters of each state.

MRS. E. L. HUTCHINSON, of Lexington, First Vice President of the K. E. R. A., has recently been elected President of the Fayette Equal Rights Association. Mrs. Hutchinson is arranging for a series of ten lectures for Mrs. Phillip Snowden under the auspices of the suffrage organizations of Kentucky. Dates so far arranged are: Covington, Nov. 5th; Maysville, 6th; Lexington, 8th; Frankfort, 12th; Louisville, 14th; Owensboro, 18th; Paducah, 19th. Some dates are still open. Though Mrs. Snowden has to break her Kentucky trip to keep engagements in Cleveland, Cincinnati and Chicago, any town desiring Mrs. Snowden should apply to Mrs. E. L. Hutchinson, Lexington, Ky., for terms and dates.

MRS. CHARLES FIRTH, Second Vice President of the K. E. R. A., has just returned from several weeks campaigning in the state of New Jersey. Mrs. Firth addressed audiences approximating 2,700 people, many of the meetings being held out doors. In spite of a slight automobile accident in maneuvering for a position on the street in one city, Mrs. Firth kept all of her engagements, won many votes and returned home in good condition and on schedule time. Mrs. Harry Whiteside, of Louisville, another Kentuckian, has been rendering signal service in the New Jersey campaign and will go later to New York. Mrs. Firth and Mrs. Whiteside will tell of campaign experiences at the Phoenix Hotel banquet.

MRS. J. D. HAYS, Of Owensboro, the Third Vice President of the K. E. R. A., is prominently known as a club woman and for her excellent philanthropic work in her own city. Mrs. Hays was elected at the last meeting of the K. E. R. A. to fill a vacancy on the board.

We often hear in our schools an  
excuse for their ignorance that  
they "never had a chance." Now  
the majority of men who have  
become noted, made their chance  
for themselves. Where there's  
a will, there's a way, you know,  
and the boy who determines to  
be something and does not lose  
heart in the struggle, naturally  
accomplishes his end—Independence.

There is one thing that the  
people of Kentucky seem to be  
overwhelmingly in favor of, and  
that is the working of the prison  
on the county roads. The  
constitutional amendment carried: Yes, 87,739;  
No, 35, and the constitutional  
amendment providing for the re-  
distribution of property for tax-  
paid: Yes, 67,499; No, 33,467. Union county could use  
of prisoners to advantage.

## BIRTHS

When a little daughter was  
left by the stork last Thursday,  
Dec. 2nd, 1915, at the home of  
Mr. and Mrs. Coleman Foster  
on their Cumberland river plan-  
tation down in Livingstone county  
she moved the living genera-  
tion in the family up to five, the little  
lady Miss Elizabeth Amelia Foster  
being first of course. The  
2nd being Coleman Foster, her  
father, the 3rd, George H. Foster,  
her grandfather, the 4th Mrs. Robt. N. Foster, and the  
5th Mrs. Mary Long, the beloved  
nonagenarian of this city. On  
the maternal side she has only  
a grand father, Hon. E. L. Nunn  
of Rodney, and on the maternal  
grand mother's side there is  
another great grand mother in  
the person of Mrs. Sally Daney  
Moore, the mother of Mrs. Bessie  
Foster, and the maternal great  
grand mother of the Foster's, who  
still occupies the old home four  
miles from Marion on the Saucin  
road.

#### Greatest Issue in All History

Paris, Dec. 6.—Subscriptions to the French government "Loan of Victory" are exceeding all expectations. It is estimated in financial circles that yesterday's subscriptions in Paris alone exceeded 25,000,000,000 francs (\$5,000,000,000). The Bank of France alone reported it had received subscriptions of 15,000,000,000 francs.

Dispatches from Marsailles, Lyons and other provincial centers say that the banks, post-offices, and tax collectors' offices were thronged all day yesterday with applicants in answer to the appeal of the government.

Dainty covers were spread on the tables and hostess served chick n salad, sandwichs and

coffee.

Rock crushers instead of graders is the slogan for good roads. Ten years rock work with the means now being used, would give us good roads without additional cost.

## Society in Florida.

Wednesday afternoon Mrs. Robert H. Haynes entertained delightfully at cards complimenting her sister Mrs. Haynes, of Marion, Kentucky, who will be Mrs. Haynes' house guest for several weeks.

The card tables were arranged in the living room of this attractive home and three tables of players enjoyed several games of progressive auction at the conclusion of which Miss Louise Tanner had highest score and was awarded the prize, a lovely embroidered towel.

Dainty covers were spread on the tables and the host served chick n salad, sandwiches and

coffee.

On this occasion, which is the first of a series of parties this popular matron will give, her guests included members of the Bridge club, Mrs. H. A. McDonald, of Marion, Ky., and Chicago, Misses Edna and Lil Morris.—Volusia County Record, of Deland, Florida.

We are hoping the time is near when all road working will be done with rock. Pows and graders will never make good roads in this country. Rock crushers instead of graders in our slogan for good roads. Ten years rock work, with the means now being used, would give us rock roads without additional cost.
